

Fripp Warehousing

Customer-focused Kelowna storage solution

If you are looking for a full-service commercial warehouse, look no further than Fripp Warehousing. We offer a variety of storage solutions, including freezer and cooler storage. We are located in Kelowna, BC, and we are proud to serve the local community. Our warehouse is equipped with the latest technology, and we have a team of experienced professionals who are dedicated to providing the best possible service. Our cold storage in Kelowna is one of the many benefits we offer to our customers.

If you are in the business of selling perishable items, then you know that having a reliable cold storage system is critical. By keeping your products at a controlled temperature, you can help ensure that they stay fresh and sellable. This is especially important during the summer months when the weather can be unpredictable and hot. We can store products at a controlled temperature which is especially important for perishable items.
